## A Vision for NA Service

All of the efforts of Narcotics Anonymous are inspired by the primary purpose of our groups. Upon this common ground we stand committed.

Our vision is that one day:

Every addict in the world has the chance to experience our message in his or her own language and culture and find the opportunity for a new way of life.

Every member, inspired by the gift of recovery, experiences spiritual growth and fulfillment through service;

NA service bodies worldwide work together in a spirit of unity and cooperation to support the groups in carrying our message of recovery.

Narcotics Anonymous has universal recognition and respect as a viable program of recovery.

Honesty, trust, and goodwill are the foundation of our service efforts, all of which rely upon the guidance of a loving Higher Power.

**WHY REGISTER?**

Often when attending N.A. events, members ask "Why should I register?" These events incur a great deal of expense. These expenses include the cost of printing programs, flyers, tickets and other items in the registration packages. Other expenses are related to planning, such as telephone expenses, copying and supplies. The funds collected after expenses are paid, are used to carry the message to addicts still suffering, through Hospitals & Institutions, Phonelines, and Public Information/Web Pages. Some of the money will also help the future of the Western Service Learning Days.

It is never too early to establish a personal program of daily action. Taking daily action is our way of taking responsibility for our recovery. Instead of picking up that first drug, we do the following:

- o **Don't use, no matter what**
- o Go to an NA meeting
- o Ask your Higher Power to keep you clean today
- o Call your sponsor
- o Read NA literature
- o Talk to other recovering addicts
- o Work the Twelve Steps of Narcotics Anonymous
- o **Don't use, no matter what**

If this meeting list is more than three months old call the helpline, 957-1489 for current meeting information. Or go online to [www.uvana.org](http://www.uvana.org)
